

# EZOE

## Standard-Duty Precleaner

### Simple, Quick, Effective

The EZP1 Precleaner is not your average solid-blade belt cleaner that mounts on the head pulley. It features a unique uni-blade design that combines simple, do-it-yourself installation, quick maintenance, and effective cleaning results with a price tag that you can afford.

### Features and Benefits

- Works with Flexco mechanical splices.
- Compact, streamlined design.
- Can be used on reversing belts.
- Fits most conveyor structures.
- Blade can be used on other cleaners.
